(a) *Member of Parliament.*—Members of Parliament will utilise the free first class railway pass issued to them as members of Parliament in respect of all rail journeys undertaken by them on the business of the Committee. They will not travel by air-conditioned accommodation at Government expense. If a member of Parliament travels by air-conditioned coach, he will pay the difference between the fares for the air-conditioned and first class accommodation from his own pocket. They will be paid incidental charges at the rate admissible to them under the rules.

(b) *Non-official Members other than Members of Parliament.*—They will be treated at par with Government servants of the first grade, and will be entitled to a single fare of the class of the accommodation actually used, but not exceeding the fare to which the Government servants of the first grade are normally entitled, i.e. accommodation of the highest class, by whatever name it may be called, provided on the railway by which the journey is performed excluding air-conditioned accommodation plus an allowance for incidental expenses at the highest rate as admissible to the Government servant of the first grade if the journey exceeds 5 kilometres.

(2) JOURNEY BY ROAD:

In respect of journey by road between places not connected by rail, a member will be entitled to road mileage admissible to an officer of the first grade under the rules and at the rates as applicable to the employees of the Himachal Pradesh Government.

- when a journey is performed by taking a single seat in a public conveyance, he will be entitled to actual fare paid for a seat in public conveyance plus incidental admissible as for journey by rail or the lower rate of road mileage limited to rail mileage, whichever is less.
- when the journey is performed otherwise the higher rate of road mileage, but limited to rail mileage will apply.

DAILY ALLOWANCE

3. In addition to daily allowance for the day(s) of the meeting, a member shall also be entitled to full daily allowance for the day preceding and/or the day following the meeting if:—

- he arrives in the forenoon of the day of the meeting or on an earlier day; and/or
- he departs at 12 noon or in the afternoon of the day following the day of the meeting or on a later day.

But he will be entitled to only half daily allowance for the day preceding and/or for the day following the meeting if:—

- he arrives at 12 noon or in the afternoon of the day preceding the day of the meeting; and/or
- he departs in the forenoon of the day following the day of the meeting.

4. Daily allowance will be subject to the usual conditions laid down in Supplementary Rule 73, as amended from time to time.

CONVEYANCE ALLOWANCE

5. A non-official member, resident at a place where the meeting of the committee is held will not be entitled to travelling and daily allowance on the scales indicated above, but will be allowed only the actual cost of conveyance hire, subject to a maximum of Rs. 10.00 per day. Before the claim is actually paid the controlling officer should verify the claim and satisfy himself, after obtaining such details as may be considered necessary, that the actual expenditure was not less than the amount claimed. In case he is not satisfied with the details he may, at his discretion, limit the conveyance allowance to road mileage.

If such a member uses his own car, he will be granted mileage allowance at the rates admissible to officers of the first grade subject to a maximum of Rs. 10 per day.

6. The travelling and daily allowance will be admissible to a member on production of a certificate by him to the effect that he has not drawn any travelling or daily allowance for the same journey and halt from any other Government source.

7. The non-official members will be eligible for travelling allowance for the journeys actually performed in connection with the meetings of the Committee from and to the place of their permanent residence to be named in advance. If any member performs a journey from a place other than the place of his permanent residence to attend a meeting of the committee or returns to the place other than the place of his permanent residence after the termination of the meeting, travelling allowance shall be worked out on the basis of the distance actually travelled or the distance between the place of permanent residence and the venue of the meeting, whichever is less.
